VIA MAIL I deposited such envelope in the mail at <u>Pasadena</u>, California. The envelope was mailed with postage thereon fully prepaid. As follows: I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with U.S. postal service on that same day with postage thereon fully prepaid at Los Angeles, California in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for б mailing in affidavit. Executed on August 16, 2010, at Pasadena, CA. I declare under penalty of perjury under the laws of the State/of California that the foregoing is true and correct.
